Remarks

This house. This neighborhood. This price. Don't walk - RUN! Homes like this rarely come to market and this one is an absolute must-see. Located in the highly sought-after Chadeayne Woods community in beautiful Cornwall, this exceptional Colonial offers the perfect combination of luxury, space, craftsmanship, and value. Set on one of the Cornwalls picturesque Belgian block street, this original West Point family home has been lovingly maintained and thoughtfully updated throughout the years. From the moment you arrive, you'll immediately appreciate the impressive curb appeal, oversized 3-car garage, and elegant architectural presence that make this home truly stand out. Step inside and be welcomed by a dramatic two-story foyer filled with natural light and timeless elegance. The expansive open floor plan was designed for both comfortable everyday living and effortless entertaining. The spectacular two-story family room serves as the centerpiece of the home, highlighted by soaring ceilings, oversized windows, custom crown moldings, and a stunning floor-to-ceiling stone fireplace that creates warmth and character year-round. The spacious eat-in kitchen offers abundant cabinetry, generous counter space, and plenty of room for gatherings both large and small. Whether
